FRIENDS HELPING YOU TO HELP THE ANIMALS YOU LOVE! Holiday Gift Ideas for Potbelly Pig Lovers!

Pigletto from Wallkill, NY 2010

We began providing high-quality Custom Winter Pig Capes more than 15 years ago and they have made their way to potbelly pigs all over the world. Each one has been tailored specifically to each pig's measurements and there are photos on our website in The Potbelly Pig Place where you can check them out. When I was no longer able to handle the work load myself, my mom—Gruntma to 5 grand-pigs at the time—took over most of the pig-cape production. Unfortunately she isn't up to it anymore at 82, so in order to help fill the need this year, last season we made up the base for 6 pig capes in the most common sizes we've seen over the years which can still be customized to your pig's neck and heart-girth measurements.
